

Syllabus Certification

Dear Students:

As explained in the class, you must respond to each question in this form to complete your course registration.

First, this form asks for a few standard pieces of information such as your name and student ID number, but also for the name you want us to call you and the email address that you want us to send your grades to and use to communicate with you.

Second, you must certify that you have read the course syllabus and agree to abide by its policies and procedures. Once again, you must fill out and submit this form to complete your registration in this course.

If you have any questions on this form, please feel free to contact me at wzhou@cs.uml.edu or (978) 934-3493.

Thank you,

Prof. Wenjin Zhou
